ACKNOWLEDGEMENTS

I am deeply grateful to the management of Vellore Institute of Technology (VIT) for providing me with the opportunity and resources to undertake this project. Their commitment to fostering a conducive learning environment has been instrumental in my academic journey. The support and infrastructure provided by VIT have enabled me to explore and develop my ideas to their fullest potential.

My sincere thanks to Dr. Jaisankar N, the Dean of the School of Computer Science and Engineering (SCOPE), for his unwavering support and encouragement. His leadership and vision have greatly inspired me to strive for excellence. The Dean's dedication to academic excellence and innovation has been a constant source of motivation for me. I appreciate his efforts in creating an environment that nurtures creativity and critical thinking.

I express my profound appreciation to <Head of Department's Name>, the Head of the <Department Name>, for his/her insightful guidance and continuous support. His/her expertise and advice have been crucial in shaping the direction of my project. The Head of Department's commitment to fostering a collaborative and supportive atmosphere has greatly enhanced my learning experience. His/her constructive feedback and encouragement have been invaluable in overcoming challenges and achieving my project goals.

I am immensely thankful to my project guide, <Guide's Name>, for his/her dedicated mentorship and invaluable feedback. His/her patience, knowledge, and encouragement have been pivotal in the successful completion of this project. My supervisor's willingness to share his/her expertise and provide thoughtful guidance has been instrumental in refining my ideas and methodologies. His/her support has not only contributed to the success of this project but has also enriched my overall academic experience.

Thank you all for your contributions and support.
